Rancho Bonito, CA

Founded in 1951, Rancho Bonito is born from wine. The vast land that grows such fabulous grapes also grows a thriving community.

Discover

Rancho Bonito is built on and surrounded by rich fertile lands developed over many generations. The San Antonio Reservoir supplies the city with fresh clean water. The region is also filled with small lakes and streams fed from fresh water springs located deep within the earth.

Stay

The beautiful scenery in Rancho Bonito is only one of the reasons to visit. Parks, Wineries, and the lovely golf course are here for your pleasure.
