

**TECH TYPE:** Nanite Medical System  
**TECH NAME:** NMS  
**VERSION NUMBER:** 16<sup>th</sup> Generation

**PURPOSE:** This is the result of a joint adventure with DEKA. They were working on a project for the DOD. They hit a few road blocks during their research and then because of politics the project was shut down. The rights to the NMS was retained by both Larks Technologies and DEKA. Over the years both companies have continued to fund the project as a side project. Since it is no longer a DOD project they got to use their research from it to help other projects of theirs. DEKA focus their research on a one-shot fix or medical autdoc.

Where Larks Tech focus on a around the clock healing increase and replace immune system. This was done because Norman Larks lost his immune system when he use the proto type of this tech.

**EFFECTS:** Increases the healing rate by ten times.  
**DURATION:** Every 15 minutes  
**CHARGE TIME:** 1 minute  
**BODY SCAN TIME:** 4 minutes  
**HOME BASE:** A vest or cybernetic implant.  
**COMMUNUCATION RANGE:** ½ Inches  
**LIMITATION:** A healthy body scan of the intended person to be heal must be done before healing can be used!
